## Florida Suncoast Region CLC Consolidated Meeting Reports November 30, 2025

**Treasurer's Report** It's that time of year again! No, I don't mean the approaching holiday season -- although I hope everyone enjoys the festivities coming up. I was referring to the fact that it's now time to pay dues for calendar 2026. Technically they're due by NLT January 1; there's always been *some* leeway, but the sooner you pay the less likely it is you'll miss out on any Florida Suncoast Region events.

Dues are still \$25 -- a bargain these days -- and can be paid by mailing a check for that amount made out to "Florida Suncoast Region CLC" (*not* me personally) or by handing a check to me at our regularly scheduled meeting in December. If you choose to rely on the US Post Office, the address is: Florida Suncoast Region CLC  
% Benjamin I. Berman, Treasurer  
4223 MacKay Falls Terrace  
Sarasota, Florida 34243

Please call me at (941) 355-2469 if you have any questions.

Respectfully Submitted,

Benjamin L. Berman,  
Treasurer, Florida Suncoast Region,  
Cadillac & LaSalle Club

**Membership Report** We had three 2026 renewals so far this fall, with no new this month. Any new members from this point on this year will be considered 2026 members as well. The folks at the GN that we invited to the picnic have still not joined. We now have a total of 26 active members. There were no new inquires. I still have some badges to get made and sent. We'd like to remind members that your National dues must be current. The expiration date of your National dues is on the mailing page of your SELF-STARTER Magazine.

Respectfully Submitted,

Mike Santos,

#### ***Market Appeal for Cadillac Consumers***

Cadillac's history reflects a shifting relationship with affordability, marked by periods where it offered "affordable luxury" relative to ultra-premium brands, as well as specific strategic moves to introduce lower-priced entry-level models to appeal to emerging nouveau riche, post-war masses. The first Cadillac was introduced at the NY Auto Show in 1903 and it was priced at \$850.00. Later on, after the Depression, Cadillac introduced the "affordable luxury" Model 60; hoping to land new market share. Cadillac has long balanced its position as an iconic statement and recognizable mantra among luxury cars worldwide.

Cadillac's Model A was a one cylinder with a wheelbase of 76 inches. Featured as a stylish "runabout", it included specially patented leather fenders, solid brass running lamps using kerosene, a bulb horn and an optional picnic basket "at extra cost." Also featured was a rear entrance tonneau which converted it to a "touring car" as shown.

## Club Activities Report

Dear Fellow Club Members:

## *It's Showtime!*

Let's go to historic downtown Eustis for the popular downtown classic car show on the fourth Saturday of every month. Some 150 Classic Cars will cruise into beautiful Ferran Park in Downtown Eustis. Enjoy our unique downtown shops and restaurants, great music and very cool classic and muscle cars. Registration is free the day of the event and all registered attendees are entered into a cash prize giveaway. Cruise-In times are 2:00 pm - 5:00 pm. Sponsored in mutual cooperation with the Eustis Business Alliance Council and the Eustis City Chamber of Commerce.

Cadillac's "Northstar System" was first introduced in 1993 with the final year of Allante production, as well as Eldorado and STS Models. The 4.6L, dual-overhead cam engine was a significant technological advance for GM and with it's precedent-setting Limp Home Mode, allowing it to run for a limited time without coolant.

## *Fall Picnic at John Chestnut Sr. Park*

Well, the weather was absolutely beautiful on October 26th and we occupied Shelter No. 5; a perfect spot for our Annual Florida Suncoast Region CLC Club Picnic gathering.

The club provided a very delicious menu from a new barbecue place with delicious brisket and pork ribs along with all the traditional “fixins”...and of course, a wide array of great familiar favorite desserts for everyone to savor and enjoy.

Len and Ben Berman, Stu and Lisa Aarons and our Mike Santos enjoy some friendly discussion while enjoying stunning weather perfect for our Fall Picnic gathering. Sometimes we don't see each other except at our annual picnic events with everyone's busy schedule and geographic location.

Chris and Denise Overcash came all the way from Naples to meet and share with fellow Suncoast CLC Club members at our Annual Fall Picnic.

And our favorite party-goers Jerry Olds and Frances and John Wiles enjoy some great picnic communing.

## *South Florida Region CLC Bayview Cadillac Show*

**Held Nov 15, 2025 at Ed Morse Bayview Cadillac South**

**by Mike Santos**

I recently attended the CLC's South Florida Region's 6<sup>th</sup> annual car show, held at Ed Morse Bayview Cadillac in Fort Lauderdale FL. I had scheduled a 4-day trip to the beach and when someone reminded me that the South FL Region's show was on the weekend, I extended my beach trip.

I had been to one show two or three years ago and was very impressed with the number, variety and overall quality of the cars at that show; and that was on a partly rainy weekend. This time the weather was great, and there were many more cars. I brought our 1996 Fleetwood Brougham, fresh from its recent 1<sup>st</sup> place win at the 2025 Grand National in TN. It was largely the same, and I had it washed the day before the show to get the 300 miles of grime and bugs off of it.

Representatives from the Dauer Museum were present and they actually brought out a few of their cars, including a 1941 4-door convertible and a very sharp 1968 El Dorado. A region of the National Cadillac Kings Club was also present with several of their late 1950- thru early 1970s cars.

A very nice 1954 El Dorado in beautiful turquoise was the center of attention...it having recently won an AACA Zenith Award. Also present was a one-off 1983 El Dorado Evolution convertible custom conversion.

The staff at Ed Morse Bayview were exceptionally friendly and served plenty of food and drinks. Also present was local DJ Bam, providing the music. All-in-all, an excellent show.

They awarded 1<sup>st</sup> places (*and some 2<sup>nd</sup> places to groups with many cars*) to each decade, and surprisingly, my 1996 Fleetwood won 1<sup>st</sup> place for the 1990s. I guess there weren't too many other 1990s cars there. Actually all the featured cars were fantastic. They even had my next car there, a 1991 (Fleetwood) Brougham in dark blue. Conveniently enough; this car is currently for sale at Ed Morse Bayview!

Legendary luxury production GM Sedan of its time.

A stunning Cadillac Allante is a prime example of an affluent opulent era when you could buy almost two houses for the price of this car.

A Cadillac 4-door convertible for 1941- Harley Earl would be so proud!

Speechless finery is the way to describe this superb 1970 Fleetwood Sedan shown in Briarwood Firemist with wonderful orange-striped Vogue signature radials - nothing can compare!

The Star of the Show, an absolutely stunning 1954 El Dorado Convertible.

Fine Cadillacs to grace the stage. A show-stopping 1965 convertible (*foreground*) steals this lineup!

Lets hear it for this beautiful super 1968 Sable Black Cadillac EL Dorado Coupe from the Dauer Museum.

How about a nice '57 Cadillac Eldorado Convertible shown in Buckskin Beige.

Superb look in Aspen White for this '55 Cadillac Eldorado Convertible.
